Torch Relay

This will take place on Monday 25th June 2012. This will be the same as the trial run this year with the odd tweak to iron out the problems.

Countries

Each school has been randomly assigned a country. Please come to the main Olympics event as that country with flags, banners etc

Transport

Transport costs to the main three day event (26th - 29th June) will be covered. However schools need to pay for the transport and then invoice Claire Tennyson at Rye Hills with copies of their paid transport invoices.

Schools may need to provisionally book buses now!

T-shirts

Students attending the three day events will be provided with a t-shirt. Each school will receive a different colour.
