## Fund raising for charities reaches £5K in only six months!

The Laurence Jackson School has a long and proud history of raising funds for charity. Since September 2009 students and staff have raised over **£5,200** for local, national and international charities as a result of various events and non-uniform days.

Those that have benefited include: Teesside Hospice, the Great North Air Ambulance, Royal British Legion Poppy Appeal, Senior Citizens from the local community who attended the school's annual Christmas Concert, the Disasters Emergency Committee Haiti Earthquake Appeal, Cleveland Search and Rescue, BBC's Children in Need, Zoe's Place, the residents of De Brus Court to support the continuation of their afternoon club, Martin House, a Children's Hospice, the LJS and Guisborough Rugby Club Tour to South Africa Rugby as well as the students at school.

Mr Tulloch, Chair of the Governors' Charity Committee said, 'We acknowledge the continuing support and generosity of students and staff who have contributed to this fantastic sum. Many of the charities listed have been identified by students as ones which we should support. We are immensely proud of the achievements of our young people in their fund raising efforts to help and support others who are less fortunate than themselves.'
