

Going out in style

To celebrate their excellent attendance record, throughout five years at Laurence Jackson School, seven students were given five star treatment. Each of them has achieved over 98% attendance which is remarkable. To recognise this, on their last official day at school a limousine collected Neil Briggs, Rachael Lee, Martin Dunn, Dean Robinson, Hugh Wilson, Daniel Entwistle, Lana Spenceley and Richard Best from their homes and brought them to school.

We congratulate them on their excellent attendance record and wish them, and all our Year 11 students, success in their exams.
