'Hypnotize' Highlight Fundraising Success

Pictured above are the boys enjoying showing off their new hoodies.

The Year 10 'Hypnotize Hoodies Group', Hannah Gowling, Hannah Foster, Beckii Noel, Emily Bulmer, Lyndsy Hutchinson, Emma Sullivan and Katie Burton who have successfully run an enterprise project since Year 9 have made a real difference with the profit from their business.

The girls, who under the guidance of Mr Featherstone, sell personalised hoodies around school, have decided to reward the hard work of other students. Hypnotize recognised that the Year 10 Rugby Team, who are currently fundraising for their Tour to South Africa in conjunction with Guisborough Rugby Club, deserved credit for their hard work. Through various time consuming fundraising activities the Rugby Team have raised almost £20,000 and hope to build upon this total until they depart in May 2010.

The girls made an unanimous decision to make a substantial donation and kit out every student, teacher and coach participating in the visit with a personalised black hoody, which displays the school logo, Hypnotize branding and South Africa Rugby Tour Embroidery.

This donation is not the only charitable cause the girls have supported as they recently made a donation of £130 to the School Charities' Committee which will be forwarded to the Great North Air Ambulance.
