## Mathstastic

In June, 44 Year 7 and 8 students visited the 'Mathstastic' event at the Centre for Life, Newcastle. Here they had the opportunity to take part in a wide range of activities including a Maths trail in Times Square which involved some fun and challenging mathematical problems; a Maths show where teams of our students competed against each other and a Maths circus where they could try a range of activities from puzzles and mazes to magic and games. The event was really enjoyable and the students' enthusiasm was outstanding throughout the day.

An extra treat for the students was the chance to visit the 'Doctor Who' Exhibition in the Centre for Life which included genuine items from the show such as 'The Tardis' and the infamous 'Daleks'.

Miss Notman who accompanied the students said, 'It was a great day out and we look forward to being part of the 'Mathstastic' event again next year.'
