Seconds Out...

We are delighted to announce that two of our Year 10 students, Richard Bracknell and Helen Atkinson, have WON the 'Seconds Out' prestigious writing competition organised by Newcastle Theatre Royal. This is part of a project which links Dance, Drama and Boxing to celebrate the fact that Newcastle will be the centre where boxers will be based during the 2012 Olympics.

The play, performed for judges at Newcastle Theatre Royal, which Helen and Richard were able to watch will now be developed further and be performed at the Edinburgh Fringe Festival next summer with professional actors in the roles.

This is an amazing achievement for the students they are both really excited about the prospect of their work being seen by hundreds of people.
