Staff and Students Sea-ze the Moment

Despite the Arctic temperatures prevailing over the region during the festive period, a brave team of staff and students participated in the annual Boxing Day dip at Redcar. They were not deterred by the freezing water in their bid to raise money for charity.

Our bathers, who 'sea-zed' the opportunity to splash in the salty seawater in a festive and fundraising spirit, raised over £300 which will be split between the Cleveland Search and Rescue Team and the LJS and Guisborough Rugby Club Tour to South Africa.

Organised by Miss Pearson, Learning Mentor, and Mr Wyke, Hutton Gateway Centre, all participants wore T shirts to raise the profile of their charitable causes. Also taking part in the Boxing Day Dip to raise money were Mrs Rowe from the Applegarth Centre, Miss Armstrong, Learning Support Assistant, Mrs Bentley, Student Manager Year 10, Mr Featherstone, Geography/Passport 4 Life teacher, and Year 9 student, Chris Wyke.
