

# Laurence Jackson School

## A Specialist Sports College

**It's finally here!**

After months of waiting, the biggest media sensation to hit Guisborough is finally arriving. Soon everyone within a catchment sized area will be hearing about **the** station to listen to – RadioLJ.

RadioLJ is a web based radio station run by students in Years 8 to 10. Each student is in a department with specific roles; Presenters, Newsreaders, Sales Team, Marketing and Promotions, Creative Writers and Web and Graphics. You can listen by logging on to [www.listenloud.org](http://www.listenloud.org) and clicking on our logo. Each show is an hour in length and will feature new music, requests, competitions and much more, with a brand new show every five weeks. The main thing to remember is that this station is run by the students!

The staff at RadioLJ have been working hard and our Presenters have been selecting the best mix of new and classic tunes, plus a few festive ones, to launch our first show, which incidentally will be our Christmas Special!! Listen out for our Yuletide competition with your chance to win some excellent prizes in time for Christmas. You can enter the competition, or send a request / comment by e-mailing us at [radiolj@laurencejackson.org](mailto:radiolj@laurencejackson.org).

RadioLJ is here and it's for **YOU**, make sure your part of it ...
